

FAREWELL AT SEA ON THE ONE & ALL

ONE & ALL
Your Journey  of a Lifetime

Unique Memorial services for that final journey.

A FINAL VOYAGE FOR A LOVED ONE

A farewell at sea is a unique and private tribute, and the perfect way for your loved one to have their ashes set at sea.

You can celebrate their life by sharing this special moment with family and friends on the deck of South Australia's traditional tall ship, the **'One & All'**.

A charter of the ship will depart from Port Adelaide and travel three nautical miles from the coast for you to scatter their ashes at sea.

The exact location of the placement of ashes will be marked via GPS and recorded on a personalised certificate with your loved one's name and the event date as a keepsake.

This special occasion can be tailored with a range of options to make this a memorable send-off and a treasured memento of a journey's end.

Sea Fever

I must down to the seas again, to the lonely sea and the sky,
And all I ask is a tall ship and a star to steer her by;
And the wheel's kick and the wind's song and the white sail's shaking,
And a gray mist on the sea's face, and a gray dawn breaking.

I must down to the seas again, for the call of the running tide
Is a wild call and a clear call that may not be denied;
And all I ask is a windy day with the white clouds flying,
And the flung spray and the blown spume, and the sea-gulls crying.

I must down to the seas again, to the vagrant gypsy life,
To the gull's way and the whale's way,
where the wind's like a whetted knife;
And all I ask is a merry yarn from a laughing fellow-rover,
And quiet sleep and a sweet dream when the long trick's over.
